The Editors

How To Use This Directory

The 2016 Magnetics Industry Directory contains listing and profiles of companies that are involved in the manufacturing and distribution of magnets and magnetic assemblies and related products and services.

Information in the 2016 Magnetics Industry Directory primarily comes directly from the companies themselves and is verified whenever possible; however, Webcom makes no guarantee of accuracy.

To Update Your Listing

We encourage you to contact us at any time with updates or changes to your company's listing. We also encourage you to send us your company announcements and press releases, as these help keep our records current.

Can't Find A Company? We'll Search For You

Can't find the company your looking for? In an industry that changes as rapidly as this one does, it's always possible that we've overlooked some firms. If you are looking for a specific company and can't find it, just call or fax us. Our editors will try their best to locate the company for you.

Your Company Should Be Listed, But Isn't?

Not finding your company in the The 2016 Magnetics Industry Directory? If it is a company involved in the magnetic industry, it should be listed in the 2016 Magnetics Industry Directory. So, kindly submit the listing form included at the back of this publication or submit your listing online at <http://www.infowebcom.com/account/createAccount.php> and we will update/list your information.
